

HUTTON MUSIC STUDIO

We're excited to partner with you in nurturing a lifelong love of music! Please read through the studio policies carefully and complete the registration form at the end along with the first installment of the monthly tuition to secure your lesson spot for the 2025-2026 school year.

LESSON SCHEDULING & TUITION

- Lessons are scheduled on a weekly basis and are billed as a flat-rate monthly tuition.
 - Tuition reserves an exclusive weekly time slot in the teacher's schedule, per the studio calendars. **Number of lessons per month will vary** based on the studio calendar of breaks and holidays.
 - Tuition is due by the 1st of each month. A late fee of **\$25** may be applied after the 5th.
 - **Monthly fees** – 30 minute slot = \$135, 45 minute slot = \$195, 60 minute slot = \$245
-

✕ STUDENT ABSENCES ✕

- Tuition holds your exclusive time slot in my calendar.
 - Student absences are built into the flat-rate tuition system.
 - **Make-up lessons or financial credits are not guaranteed unless the teacher cancels the lesson.**
-

WITHDRAWING FROM LESSONS

- Should a student choose to withdraw, **30 days written notice is required.**
 - **Unused lessons will not be refunded.**
 - HMS reserves the right to terminate lessons if a student is not cooperative, not making progress, or if tuition is repeatedly late or unpaid.
-

STUDENT EXPECTATIONS & RECITALS

- Students are expected to be respectful, maintain a positive attitude, stay open to feedback and new challenges, communicate any difficulties, and practice regularly.
- Studio recitals are generally held **in December and June.**
- Students should be “recital ready” two weeks prior to the event date. If the teacher feels a student is not ready to perform, they will not be able to participate. This is to prevent a poor experience for the student and future “fears” of performing.
- Recital participation is strongly encouraged as part of musical growth and confidence building.
